

NATASHA'S LAW

Amendments to the Food Information Regulations introduced by [Natasha's Law](#) are effective from 1st October 2021 and requires prepacked for direct sale (PPDS) foods, other than those sold by distance means (internet, telephone etc.), to be labelled with an ingredient list that emphasises the presence of allergens in the food.

PPDS foods are those that are sold from the premises they are packed on, and which are packed before being offered for sale.

According to the new rules, PPDS food will have to clearly display the following information on the packaging:

- Name of the food.
- Full ingredients list, with allergenic ingredients emphasised (for example in bold, italics or a different colour).

WHAT WE DO

Sevenoaks Welcomes Refugees is a local charity formed in 2017 to help support refugees from Syria resettling in the Sevenoaks district, as part of the UK Government's Syrian Vulnerable Persons Resettlement Scheme. That scheme has now evolved into the Government's global UK Resettlement Scheme.

We are a small and growing organisation, with about 100 active volunteers. We are currently supporting the resettlement of 4 Syrian refugee families in the Sevenoaks district area and are hoping to find accommodation for further families this year.

We provide local practical support to refugee families in our area, including welcoming, help with learning English, finding jobs, providing lifts, sourcing necessary household items, and making small grants.

We're looking for:

VOLUNTEERS

We're recruiting for more volunteers, and we have a wide range of activities to get involved with. For example, you could join a small 'family team' of volunteers and support one refugee family, or teach English, or find more landlords, find work and training opportunities or help with all the things a small charity needs help with including administration, finance, marketing, communications, and fundraising.

LANDLORDS

The scheme relies on private sector landlords, who receive rent according to Local Housing Allowance (LHA) rates. For example, the rate for a 3-bedroom house in Sevenoaks is £1130 pcm and for one in Swanley it's £1050 pcm. The rent is paid via Sevenoaks District Council, either directly to the landlord or to his/her agent managing the property.

If you'd like to volunteer with us, or you might be interested in renting a property to enable a refugee family to build a new future, please contact us at sevenoakswelcomesrefugees@gmail.com

Our latest adult social care engagement opportunities

Thank you for your interest in adult social care in Kent. Please see the following ways you can get involved and share your views.

Adult Social Care Strategy Consultation now open

Thank you to those of you who participated in our early engagement workshops at the beginning of the year, and our co-production workshops this summer. Your contributions helped us to shape the draft strategy for adult social care that is now out for formal consultation.

Our person-focused vision and strategy summarise how we plan to make changes over the coming years to put the person first, improve all the time and measure what matters. The aim is to work with people in Kent and all our partners to turn our ambitions into reality. You [can read more about it on our website](#).

Social care and health have never been more prominent in our daily lives. Our dedicated workforce has pulled together with our partner organisations, providers and communities to respond to some of the most challenging times in recent history.

We need **your views** on the draft strategy, which sets out what will be different, and outlines the principles we will follow to achieve our five-year vision of: “Making a positive difference every day, supporting you to live as full and safe a life as possible and make informed choices.”

We would like to hear your views on our draft Adult Social Care Strategy so that we can make sure we're on the right track, we can find out what we might have missed or how you think it could be improved.

Please read the draft strategy and answer the questionnaire on the Kent County Council consultation web page to let us know what you think.

Visit: <https://letstalk.kent.gov.uk/adult-social-care-strategy> to take part.

The consultation closes on 24 October 2021.

If you run a community group and you would like someone to facilitate a workshop either online or face to face, please contact the Stakeholder Engagement Team via the email address below.

SILVER SUNDAY
CELEBRATING OLDER PEOPLE

As part of this year's Silver Sunday celebrations, Sevenoaks District Council is promoting a series of free events for older residents.

Silver Sunday (3 October 2021) was originally set up to tackle loneliness, however, in recent years, the national occasion has become an opportunity for older people to meet others, visit new places, try new activities and connect with their local communities.

Throughout October, older residents can sign up to coffee mornings, talks, health sessions and more!

The celebrations start on Monday 4 October with 'Pop Up' Sue Larken from AGE UK, running one of her famous 'Pop up and pop in' health sessions in Chiddingstone Causeway Hall at 10.45am.

The 'Every Step Counts' walking group is dedicating its nine walks throughout the District to Silver Sunday for the week beginning 11 October 2021. These walks are great social events and an opportunity to meet new people over a cup of tea and a slice of cake while getting some gentle exercise.

Cabinet member for People and Places, Cllr Lesley Dyball, says: "Silver Sunday is a really positive way of supporting the older community to try new things for free and meet new people by attending existing events and activities."

Cllr Dyball adds: "If you have an elderly relative or friend who you think would benefit from some more social interaction, encourage them to come along to a Silver Sunday event near them."

Taking action,
changing lives!

Libraries Week 4 to 10 October 2021

Libraries Week is an annual showcase of the best that libraries have to offer. This year's theme is "Taking action, changing lives".

In Kent we are applauding the difference that our libraries have made over the past year and will make as we all look to the future. We are also celebrating the upcoming launch of our Business and Intellectual Property Centre (BIPC) Kent, providing free and accessible business advice, support, and resources.

What's on... online

Find Kent Libraries on [Facebook](#), [Twitter](#), [YouTube](#) and [Soundcloud](#) for free online activities to enjoy:
