How the rules will change on 12 April

Some of the rules on what you can and cannot do will change on 12 April. You can read the [‘COVID-19 Response - Spring 2021’ \(the roadmap out of lockdown\)](#) for more information on how COVID-19 restrictions will be eased in England. You can also read the [law](#) that underpins these changes and the ongoing restrictions.

From 12 April:

- non-essential retail will be able to reopen
- personal care premises such as hairdressers and nail salons will be able to reopen
- public buildings such as libraries and community centres will be able to reopen
- outdoor hospitality venues will be able to reopen, with table service only
- most outdoor attractions including zoos, theme parks, and drive-in performances (such as cinemas and concerts) will be able to reopen
- some smaller outdoor events such as fetes, literary fairs, and fairgrounds will be able to take place
- indoor leisure and sports facilities will be able to reopen for individual exercise, or exercise with your household or support bubble
- all childcare and supervised activities will be allowed indoors (as well as outdoors) for all children. Parent and child groups can take place indoors (as well as outdoors) for up to 15 people (children under 5 will not be counted in this number)
- weddings, civil partnership ceremonies, wakes and other commemorative events will be able to take place for up to 15 people (anyone working is not included in this limit), including in indoor venues that are permitted to open or where an exemption applies. Wedding receptions can also take place for up to 15 people, but must take place outdoors, not including private gardens
- self-contained accommodation will be able to open for overnight stays in England with your household or support bubble
- you should continue to minimise the amount that you travel where possible
- care home residents will be able to nominate two named individuals for regular indoor visits (following a rapid lateral flow test)

Keeping yourself and others safe

You should stay 2 metres apart from anyone who is not in your household or support bubble where possible, or 1 metre with extra precautions in place (such as wearing face coverings) if you cannot stay 2 metres apart.

You should follow the guidance on [how to stop the spread of coronavirus](#) at all times, including if you have been vaccinated against COVID-19.

You should follow this guidance in full to limit the transmission of COVID-19. It is underpinned by [law](#).

Pop-Up Marketplace for Local Traders during May & June to help them trade whilst some pandemic restrictions remain in place

Since March 2020 it has been a difficult time for local businesses fuelled by uncertainty and changing restrictions during the pandemic needed to keep everyone safe.

With the new government guidelines for opening up town centres there is hope that businesses can start to operate again and welcome back customers. There are however some public health restrictions still in place and not all businesses have suitable premises or locations to meet them. Some cafes whilst being able to have outdoor seating are on narrow pavements and therefore cannot do this and their customers want somewhere to eat and drink the refreshments.

Due to the generous offer from Sevenoaks District Council, Sevenoaks Town Council is able to create a Pop-Up Marketplace in the town centre which will enable traders to have pop up stalls, a pleasant seating and entertainment area. This will be open throughout May and June, Mondays to Saturdays. The project is also supported by the Sevenoaks Town Team.

In addition, it is planned to produce a map indicating take away outlets and green open spaces and seating areas available to the public.

This is an ambitious timetable to get this in place for 1st May 2021 and the Town Council is grateful to local businesses and traders who are already offering their support with this initiative.

Want to trade in May & June but worried your premises will not meet COVID-19 Restrictions?

A pop up stall in the town centre of Sevenoaks could be the solution!

We are creating a pop up trading space, with leisure seating and eating area, open Monday to Saturday throughout May and June.

The pop-up will be located in Buckhurst Car Park where the Wednesday market takes place.

To discuss a space please email: council@sevenoakstown.gov.uk

This is a Sevenoaks Town Council initiative supported by Sevenoaks District Council
