

TOWN TEAM - ANNUAL GENERAL MEETING

Since 2011 when the Sevenoaks Town Team was created (under: Sevenoaks Town Partnership) we have continued to grow our annual events and meetings. We have Town Partnership meetings every 6 weeks and our Events Committee meets every three months. These meetings give businesses, local residents and anybody else who wishes to join us a chance to discuss current issues affecting Sevenoaks Town and gain information about current events taking place.

The aims of the Town Team are:

Increasing visitors to Sevenoaks Town

Branding Sevenoaks

Providing a calendar of events

Investigating and investing in different forms of digital marketing

Marketing the Town as a clean and safe place to live and visit

Produce initiatives to address the empty shop issue

Improve engagements between public and private and community sector partners in order to use this combined expertise to improve the town

Encourage inward investment in the town and make Sevenoaks attractive for businesses looking to start up

Improving the accessibility and environment of Sevenoaks Town

The Town Team will be holding its Annual General Meeting virtually on Wednesday 7th October 2020 wherein the aims of the Town Team will be assessed and compared with the progress that has been made over the past year. This will involve going through the; Annual Report, Strategic Aims for 2019-2022, finance matters, Recovery Action Plan regarding COVID-19, planned events for the future and much more.

Sevenoaks Bookshop

We declare our bigger and better bookshop, Officially Open!

It's been quite the journey over the past few months, but we couldn't be happier to announce that our newly expanded bookshop is **now fully open!**

If times were different, we'd invite you all in to have a glass of fizz, chat among friends, and celebrate this momentous time in the bookshop's history with us (picture it now... lovely...). As with so many things, we will do this sometime in the future. It's a promise. For now, we must thank all the customers that came in to buy and order books through all the terrible drilling, dust, and every other kind of chaos. We are finally able to welcome you to shop in a spaciouly wonderful, new-look bookshop. **Hooray!!**
