

On behalf of the Councillors of Sevenoaks Town Council and the people of Sevenoaks, we wish to share the sentiments of loss and sorrow felt across the nation in mourning the death of His Royal Highness, The Duke of Edinburgh.

As a mark of respect, during the period of Royal mourning, the Union Flag at the Town Council Offices and on the Vine will fly at half-mast.

During the current lockdown the Town Council arrangements may unfortunately be restricted.

For those wishing to write condolences, there is an On-line book of condolence at Buckingham Palace please see www.royal.uk

For those wishing to leave flowers, The Vine War Memorial, Dartford Road Sevenoaks is recommended as a fitting location.

(Please no plastic or cellophane wrapping as flowers will be composted the day after funeral and used to plant a memorial tree)

At this difficult time people are reminded please to respect social distancing guidelines.

Where will on-demand buses pick me up?

If using the app, after you book a ride, the app will display the pick-up location where the bus will meet you.

As we are a bus-stop to bus-stop service, your actual pick-up point may be a short walk from where you requested. It could be a nearby bus stop or other safe place near to your pick-up location. The exact pick-up location will always be displayed in the app and directions provided to it. You can track your vehicle's progress in real time using the app.

Make sure you're at the pick-up point when the bus arrives! The app will count down the minutes to the arrival of your bus, and we'll send you a text when the bus is two minutes away and again when it arrives. Additionally, you can contact the driver when they are waiting at the bus stop directly through the app, by simply pressing the phone icon located on the right, at the bottom of the screen.

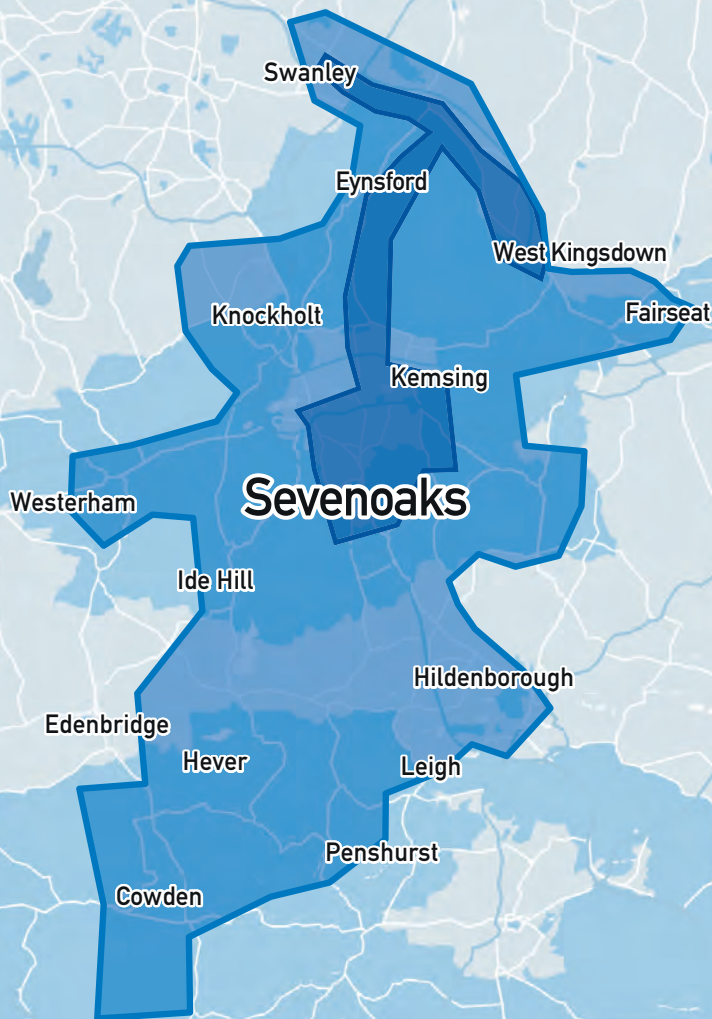

Go2 Direct (Coming Soon)

go2 Direct will use more fuel efficient wheelchair accessible vehicles to deliver this enhanced service. As a **go2** direct passenger you and up to 6 friends/family will travel directly to your destination without sharing your vehicle.

The new go2 direct service will be pre-bookable!
