#### A Message from Knole:

We have now opened our car park at Knole to pre-booked ticket holders only.

Together with Kent Police, Sevenoaks District Council and the Knole Estate, we are urging people to only visit Knole Park if you have a pre-booked ticket, in order to keep our local community, visitors and staff safe. For your own safety please ensure you keep a distance from the wild deer and avoid picnicking or dropping litter. We'd like to thank members of the local community who have been litter picking, which helps care for the medieval deer park and the wild deer herd.
